

MODEL 409-HP

Commercial Grade 4-post Parking Lift for Car, Van and Light truck. Similar to model 408-P, but longer, wider and heavier. 409-HP is 12" (300mm) higher than 408-P.

FEATURES

- Similar to AMGO's 408-P model, but it is longer, wider, and heavier.
 - The 409-HP model is 12" (300mm) higher than the 408-P model.
- 9,000 lbs. capacity is great for handling light-duty cars, vans, and trucks.
- AMGO exclusive hidden safety locks and manual single-point release device allows for operators to unlock the safety locks from one column simultaneously.

- Double S shaped columns help increase the columns' strength.
- Skid proof diamond platform provides traction for tires to stay put.
- Optional configuration includes 4 plastic drip trays, 1 jack tray and 4 caster kits.
- Flexible design: the power side column can be installed at each corner.
 - It can be a 220V or 110V single phase power unit.
 - Designed to be portable, it can easily be moved by using the optional caster kits.
- Comes with 5-year constructional warranty and a 3-year hydraulic and 2-year electrical warranty.
