- FLEX FOUNDERS LIMITED LIFETIME WARRANTY - Register your new FLEX tool, battery, or charger within 30 days of purchase through December 31, 2023 to receive a limited lifetime warranty

Product Description

Punch through stud after stud with the FLEX 24V 2-Gear 1/2" Right Angle Drill when roughing in pipe for plumbing. This 1/2-inch right angle drill is an ideal tool for plumbers and delivers industry-leading 2,400 inch-pounds of torque. Turbo mode unleashes maximum power and increased speed up to 1,650 RPM in Gear 2. Its magnesium gear box delivers maximum durability in a lightweight housing and anti-kickback technology lets you work with confidence. The drill's ergonomic rubber-covered top handle provides comfort when working and a rafter hook offers easy storage when not in use. For maximum power and performance, it's recommended for use with the FX0221 24V 8.0Ah Lithium, FX0231 24V 12.0Ah Lithium, FX0331 6.0Ah Stacked Lithium, or FX0341 10.0Ah Stacked Lithium batteries (batteries sold separately). The two-gear 1/2-inch right angle drill delivers the FLEX Advantage of unmatched battery power, runtime, and fast charging. It's all protected by the FLEX Founders Limited Lifetime Warranty when registered within 30 days of purchase at registermyFLEX.com through December 31, 2023.
